DOWNSTATE
Medical Center

March 18, 2020

Dear Student/Parent/Guardian:

Now that all NYC Public Schools are closed because of the COVID-19 pandemic, this will mean that the School Based Health Center located at your school will also be closed. As a reminder, we wanted to let you know if any medical need arises during this time:

- You can reach out to speak with one of our medical providers by calling our 24 hour/7 day on-call pager at: __ (917) 760-0846 __.
- You can access medical care during this temporary school closing at any of the SUNY Downstate ambulatory care sites in Central Brooklyn.

Thank you, and we hope you all remain healthy and safe.

Christie Racine, MD

Medical Director,
